

leadership

fmi course number: FM10

Duration
1 day

.....course overview

This course explores how workplace leaders can be effective in leading a team to focus on and achieve outstanding results.

The course helps participants develop strategies and skills to focus on results through setting team performance goals and performance indicators and planning for performance.

The course gives practical insights into how to and lead the team to implement the performance plan.

The course illustrates how an effective leader can "*raise the standard*" by modelling high standards and applying values.

Practical guidelines in making and implementing informed leadership decisions are given and practised.
